BOOK SYNOPSIS

Draw the Human Figure Anywhere, Anytime For today's in-demand comic creators, animators, video game artists, concept designers, and more, being able to quickly draw the human figure in a variety of action-packed poses is a requirement. But what do you do if you don't have models or photographic reference readily available? In *Freehand Figure Drawing for Illustrators*, artist and instructor David H. Ross provides an alternative solution, showing you how to master freehand figure drawing without visual reference by using a modern twist on the classic technique of blocking out the human figure in mannequin form. Step-by-step lessons guide illustrators from basic poses (standing, running, jumping) to extreme motions (throwing punches, high kicking). For on-the-go artists, *Freehand Figure Drawing for Illustrators* allows you complete freedom to bring your figures to life at any time. From the Trade Paperback edition.
