## BOOK SYNOPSIS

"Weaving together information from archival sources, community memories, and a close reading of the pictures themselves, the author frames and clarifies this uniquely Native American perspective on Southern Plains history during an era of great political, economic, and cultural pressures. A rare window on a century of Kiowa life, *One Hundred Summers* is also an invaluable contribution to the indigenous history of North America. The volume includes appendices featuring a wealth of unpublished primary source material on other Kiowa calendars and a glossary by a native Kiowa speaker."--BOOK JACKET.
