BOOK SYNOPSIS

Experience the human side of development Papalia helps students experience the human side of development by exposing them to culture and diversity, immersing them in practical application, and helping them study smarter through personalized learning and reporting. Experience a program that connects students to the real world. McGraw-Hill's Milestones is a groundbreaking, longitudinal video series that tracks the development of real children as they progress through the early stages of physical, social, and emotional development during the first few weeks, months, and years of their lives. Milestones provides a unique, experiential learning environment that can only be achieved by watching real human development as it happens. Additionally, the Research in Action feature highlights interesting and timely topics. Experience the diversity of the human experience. The 13th edition of this classic best-seller retains the extensive and integrated cross-cultural and multicultural coverage as previous editions.
