BOOK SYNOPSIS

A 7-time Teen Choice Award Winner on Freeforms most-watched series, *Pretty Little Liars* ... A social media influencer with over 7 million followers ... An avid birdwatcher? Yes, you read that correctly. Ian Harding is all of these things, and so much more. In this memoir, explore the unexpected world of a young celebrity through the lens of his favorite pastime — birding. *Odd Birds* is more than just a Hollywood memoir or tell-all. At its heart, this book is a coming-of-age story in which Ian wrestles with an ever evolving question— how can he still be himself, while also being a celebrity. Each humorous and heartfelt story features a particular bird—sometimes literal, at other times figurative. Using this framework, Ian explores a variety of topics, including growing up, life as a television actor and nature lover, and whether it is better to shave or wax one’s chest for an on-screen love scene. A funny and heartwarming window into Ian’s life, *Odd Birds* is a must-read for fans of nature writing and memoir alike.
