BOOK SYNOPSIS

From the author of the much-loved memoir *Cottage for Sale, Must Be Moved* comes an engaging and inspiring account of a daughter who must face her mother's premature decline. In *Remembering the Music, Forgetting the Words*, Kate Whouley strips away the romantic veneer of mother-daughter love to bare the toothed and tough reality of caring for a parent who is slowly losing her mind. Yet, this is not a dark or dour look at the demon of Alzheimer's. Whouley shares the trying, the tender, and the sometimes hilarious moments in meeting the challenge also known as Mom. As her mother, Anne, falls into forgetting, Kate remembers for her. In Anne we meet a strong-minded, accidental feminist with a weakness for unreliable men. The first woman to apply for—and win—a department-head position in her school system, Anne was an innovative educator who poured her passion into her work. House-proud too, she made certain her Hummel figurines were dusted and arranged just so. But as her memory falters, so does her housekeeping. Surrounded by stacks of dirty dishes, piles of laundry, and months of unopened mail, Anne needs Kate's help—but she doesn't want to relinquish her hard-won independence any more than she wants to give up smoking. Time and time again, Kate must balance Anne's often nonsensical demands with what she believes are the best decisions for her mother's comfort and safety. This is familiar territory for anyone who has had to help a loved one in decline, but Kate finds new and different ways to approach her mother and her forgetting. Shuddering under the weight of accumulating bills and her mother's frustrating, circular arguments, Kate realizes she must push past difficult family history to find compassion, empathy, and good humor. When the memories, the names, and then the words begin to fade, it is the music that matters most to Kate's mother. Holding hands after a concert, a flute case slung over Kate's shoulder, and a shared joke between them, their relationship is healed—even in the face of a dreaded and deadly diagnosis. "Memory," Kate Whouley writes, "is overrated." From the Hardcover edition.

REMEMBERING THE MUSIC FORGETTING THE WORDS TRAVELS WITH MOM IN THE LAND OF DEMENTIA

- Are you looking for Ebook *Remembering The Music Forgetting The Words Travels With Mom In The Land Of Dementia*? You will be glad to know that right now *Remembering The Music Forgetting The Words Travels With Mom In The Land Of Dementia* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Remembering The Music Forgetting The Words Travels With Mom In The Land Of Dementia* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Remembering The Music Forgetting The Words Travels With Mom In The Land Of Dementia* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Remembering The Music Forgetting The Words Travels With Mom In The Land Of Dementia*. To get started finding *Remembering The Music Forgetting The Words Travels With Mom In The Land Of Dementia*, you are right to find our website which has a comprehensive collection of manuals listed.
