BOOK SYNOPSIS

The Lady Most Likely is a historical romance anthology with a delightful difference. For the first time ever, New York Times bestselling romantic fiction superstars Julia Quinn, Eloisa James, and Connie Brockway join forces to produce a novel in three parts. Readers are cordially invited to a party at a grand English country manor at the height of the Regency Era, where the bachelor Earl of Briarly hopes to find a suitable wife—The Lady Most Likely—from among the unspoken-for female guests.
