BOOK SYNOPSIS

Tamika Cleary takes a wrong turn up a one-way street—and straight into Thibault Delacroix's leg as he steps into the road. But Mika's in a hurry, and she certainly doesn't have time for a guy who can't even look both ways before crossing, even if he does have a cute face, a body to die for, and the darkest, thickest eyelashes she's ever seen. Unfortunately for Mika, fate has other ideas. When she's threatened by her employer, a Russian mafia boss known as "The Thief", she's forced to accept Thibault's help. As the co-owner of the Bourbon Street Boys security firm, he believes he can keep her safe. But Mika has a whole load of trust issues—and the pushier Thibault is about helping, the more stubbornly she tries to resist. Mika may have taken a wrong turn the day they met, but will she finally let someone steer her in the right direction?
